## LIST OF MY BIBLE STUDY MATERIALS

**EMAIL CHANGE: We are changing our email address! For orders and information, please use kydavismaterials@gmail.com Please update your records!**

**PLEASE READ** the information on the next pages before ordering questions. Email orders will be acknowledged by email. Karen's book *Growing Older, Growing Wiser* can be ordered from: [www.ecsministries.org](http://www.ecsministries.org), [www.amazon.com](http://www.amazon.com), [www.scripturetruth.com](http://www.scripturetruth.com) or [www.christianbook.com](http://www.christianbook.com)

**ALL STUDIES ARE NOW AVAILABLE IN PDF FORMAT**, which means they can be sent to you via computer with no need for paying the cost of mailing. You may then download them and make multiple copies for your group. This list of my Bible Study Materials may also be downloaded by computer so that I need not mail it to you, unless I am mailing your entire order.

**PLEASE NOTE: THESE LESSONS ARE INTENDED FOR GROUP STUDY.** Their use is authorized by permission. They are supplied for the use of large groups, small groups, home Bible studies, Sunday school classes, etc. Since they are designed for study and discussion in a group setting, you are strongly urged to use them that way. Please do not order a study if it is only for your own private Bible study.

**PLEASE REQUEST no more than three sets of questions at a time.** If those you want are very short studies and can be emailed, you may request UP TO five sets. You may then xerox additional copies at your own expense for your group. Handouts (extra information sheets to enrich a lesson) accompany most studies. Handouts should usually be given out after class members have done their questions for that lesson. **Please do not keep xeroxing sets of questions received previously!** Ask for a new set. Most have been revised or gotten new handouts since first written. You may delete lessons not relevant to your study. Permission is not given to add or alter questions. If you find actual errors, I would appreciate hearing from you.

**GROUND RULES.** One set of questions will be mailed or emailed to your group. You do the copying for others in your group. Permission is NOT granted to put these questions on a website, on MySpace, or other internet site. An individual set of printed questions (one lesson at a time) may be mailed or sent by fax to class members in your group who are absent. To encourage regular attendance to your group study and to help protect my copyright and possible alterations to the questions, **please do NOT email the questions to others without authorization.**

**MY COSTS.** There have been no cost increases for many years. However, writing these studies is time-consuming and has involved some costs. Even though PDF format eliminates the need for me to xerox and mail copies, voluntary reimbursement is requested at **25 cents per page for one copy.** You may then make whatever additional copies you need for your study at no extra cost. **NO BILLS are sent**, which would be costly and time-consuming for me. I use the honor system! One lesson is usually two pages in length and is typically a one-week assignment. Please determine what you owe based on the number of pages. If you want copies mailed, please add cost of postage. You need not pay in advance. **PLEASE: No rush orders!** Allow 2-3 weeks for orders.

**BOUND VERSIONS.** Studies are now available in bound versions, if desired. If ordering a bound copy of a study (which includes a title page in color) please count the number of pages (at 25 cents per page) and **add**

**\$2.50 extra for the cover and spiral binding.** Bound copies must also be mailed, so please add in the cost of postage. Payment for bound copies goes to Angela Gates (see below). The least expensive way to obtain studies is still to order an unbound, PDF copy by email.

**TO START.** A few sets are in both advanced and beginner versions. Advanced versions have a more flexible time for study, not necessarily the same number of questions on each chapter or unit, and harder or more detailed questions. Advanced versions are suggested for Christian believers only, not groups with nonChristians. **Inquire if you need questions in Spanish.** Several are available (Angels, Ephesians, Financial Principles, Malachi, etc.). I Corinthians is available in **Chinese**.

**BEST STUDIES FOR BEGINNERS:** Good studies for beginners are Philipians, Gospel of John, Ruth, Esther, I Samuel, Genesis 1-11, Life of Abraham, Proverbs, 2 Timothy, Jonah. **In the New Testament,** Revelation, Hebrews, Romans and Luke are four harder studies and are suggested for more experienced groups. **Topical studies** (such as Angels) are often high-interest studies and are not necessarily hard, but require more time, since references must be looked up from many portions of the Bible. Parables and Messianic Psalms are more difficult topical studies. **In the Old Testament,** Isaiah, Zechariah, Ezekiel, Joel, and Micah are more challenging units.

**CHILDREN'S STUDIES** for those able to read (about age 6-12) are available. Some studies have both younger and older children's versions. Some are one-page questions, easier than adults. Some studies have extra activities for children. See Genesis, Proverbs, Mark, Finances, 2 Corinthians, Philipians, Numbers, Luke, Malachi, Lamentations, Joshua, and Daniel 1-8. **Ask about other NEW children's studies.**

**NEED EXTRA HELP?** Materials to train leaders are available. Order the guide: **HOW TO LEAD A SMALL GROUP BIBLE DISCUSSION EFFECTIVELY, 8 pages.** Also available: How to Give a Lecture; Guidelines for newcomers; Proverbs for Leaders; 10 Basic Rules for Counseling.

**CDs:** Lectures coordinated with lessons are available very inexpensively for many or most studies and may be ordered on CDs. **They are optional, but helpful.** Question orders go to Karen; CD orders go to Jeanette (below). See more information below. In time, we hope to have the sound files in MP3 format.

May God richly bless your study to His glory!

**PLANNED FOR 2018-19:** expanded children's lessons; possibly also Leviticus; other ideas?

# Study Spotlight

Is there really only ONE way to be saved? What about being a good person? Aren't people basically good? What does it mean to be born again? Paul's letter to the Romans tackles these questions in a thoughtful, eloquent manner that takes readers through the work of Jesus on the cross. It shows how to live a life based on faith and grace.

Romans is a 16 week study.
